

Ladies' Circle International

Friendship & Service

Ladies' Circle International is an International Service Club. It has its roots in England where the wives of Round Table members founded the first Circle in Bournemouth in 1930.

Ladies Circle is now present in 36 countries with a total membership of approximately 13,000.

As the name of the organisation describes it, it is a women's organisation. Our members are young women aged between 18 and 45, who want to make a difference in the lives of others by supporting needy people, but they also make a difference in their own lives, discovering unlimited friendship, locally, nationally and internationally.

If you want to become a member, there is very little you need, but very essential:

- **Time** in order to Serve
- **Love** in order to make friends
- A big ♥ in order to accommodate different views and opinion of others.

For more information please contact the LC President in your country or visit our website.

Conferences

Every year we hold our Annual General Meeting in a chosen country in the last week of August or first week of September. We use this time to review the activities of the previous year, elect new office bearers, chart the way forward for our organisation. The best part of this event is, that we also renew our friendships and make new everlasting ones!

If you want to make friends for a lifetime with the recipe of 'Friendship & Service', this is the organisation for you!

I am interested!
