

Dear Ladies,

I do not have large-thing to say with “my poor English” only to thank you for this pleasant stay in India for the Fiest@50 Conference in Bangalore.

India is the country which I dream to visit since my childhood. I can say “the country of my dream”!

It was a great pleasure of being accommodated by Ladies of the LC India the first day of our arrival.

The Fiest@50 Conference in Bangalore was my first AGM as Ladies and I was agreeably surprised by our friendship even if we never met.

The “pretour” was memorable! Richness of interesting places that we visited, Temples, Forts and especially Taj Mahal! I poured a tear! I found that beautiful! “the biggest thing made by love!!!”

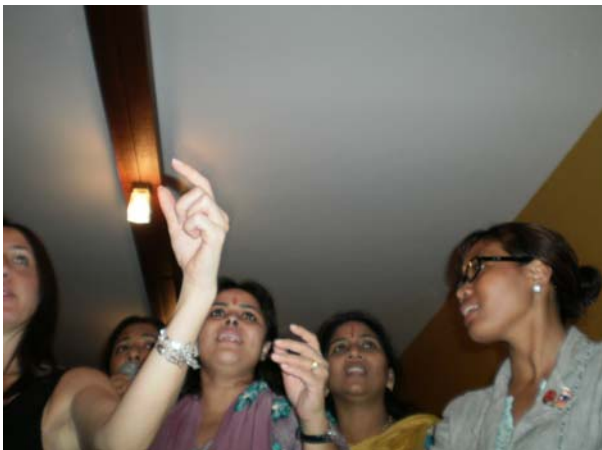

The “Ambiance” in the “RED BUS! ” was fabulous! The bus had even become a night club!  
We never felt our self tired! Even if as sometimes, I felt asleep!

The day of our AGM, when we were all “hand in hand” singing “Heal the world!”, I was really moved to tears! I said myself: “This friendship which binds us! I can feel it! ”

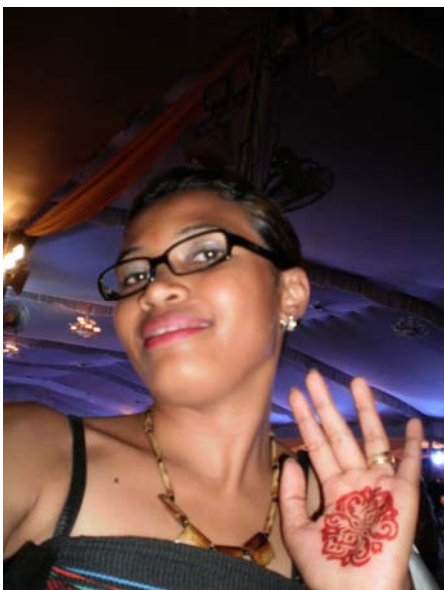

The “welcome party”, the “house party” and the “gala dinner” were very wonderful! I do not have the words to say how much I had fun! I let you judge yourself by the pictures!

Lastly, I left India and Ladies in Bangalore with a great “pinching in my heart”!

I say to you “Mandram-pihaona - A bientôt - See you! ”

Thanks to the LC India,

Thanks to Indian people!

Thank you all Ladies in the whole world! (I kiss you all!)

And still congratulation and good courage to the new office!

... Finally: SORRY FOR MY ENGLISH!!! ^\_^!
